# About the company.

We are a Food Tech StartUp based in Guwahati, Assam registered as “Sprengal Food Technologies Pvt Ltd” and we are creating **organised, sustainable & Hassle-Free Restaurant chains** so that you can run multiple restaurant franchise without any hassle.

At the core we are creating micro-entrepreneurship at grassroots level, that can help us create an impact.

We started with humble beginnings back on 2019 and currently we are incubated by Assam StartUp and IIM Calcutta Innovation Park, to help us take this mission ahead and expand globally.

We believe that Great Quality food should be easily available and hygiene should be kept at the core while doing it.
